Holy well's

When my mum was smaller
She you'se to go to the blessed well in Kilgeever
She you'se to go to the blessed well with her mum and dad She went their on a Sunday.
My Grannadad and his family used to wash their feet in their river.

My Grannadad walked to school in his bare feet.

My Grannadad's mum used to bake bread for them.

And they would have their own meat because they had sheep/pigs and they would have their own eggs from their chickens.
